## TERMS OF SALE

1. **A 10% Buyers Premium is added to all invoices.**
2. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to KATEN SALES can attest to this statement.
3. We make no other charges except the actual cost of mailing, and insurance/registration. On books we charge 50¢ with added cost when a number of books are in the same lot. We use discretion and never overcharge you. Minimum charge on books is \$1.00.
4. Bidders unknown to us must send a deposit of 25% of their bids. References are useful for later bidding.
5. We reserve the right to reject any bid from any bidder when we deem a bid not made in good faith. 'Penny' bids are not entered and the minimum acceptable bid is \$3.00 with increments of 50¢.
6. Auction sales are not approval sales. By submitting your bids you agree to the Terms of Sale herewith set forth. No lot may be returned without written permission and request must be made within five days after receipt of material. No lots may be returned by floor bidders.
7. All books are as described. The actual title in a foreign language is given — the cataloguer may interpret the title which would be in parenthesis. All books are in fine condition unless otherwise mentioned; are hard bound unless pb (pamphlet binding) is mentioned; or CaC (card binding) or pc (paper covers) is mentioned.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 40 years ago for your protection.
9. Auction Sales for U. S. Cash Funds. Payments must be made immediately upon receipt of material or upon notification. We reserve the right to demand payment before delivery.
10. Lots delivered in the State of Maryland are subject to a 5% Sales Tax and will be added to the invoice.

## MEMO TO OUR CUSTOMERS and CONSIGNORS

We are grateful for your continued support of our Auction Sales, some of you have been with us for thirty and forty years.

We are also particularly thankful to MANA - Middle Atlantic Numismatic Association for selecting Frank and Laurese Katen to again conduct an Auction Sale at their 38th Annual Convention. The Convention Committee has done an outstanding job, even to obtaining a \$40.00 rate for one or two persons for a room at the Radisson Hotel in Virginia Beach. The Convention will be held at the Virginia Beach Convention Center-Pavilion, October 19-21, 1990. We look forward to seeing our globe-trotting daughter and her husband who live there and perhaps persuade them to help us in the Auction room.

And to the 18 consignors in this our 70th Auction Sale our heart-felt thanks for their fine consignments in this sale. Kudos to our friends for the principal coin consignment that has been buried for about 60 years. It will make a true collector happy to find coins that have not been slabbed.

Most of you who receive this catalogue will have received a letter from us in July announcing that we have given up the retail store. We will operate a mail order, via price lists and continue with our auction. Our Post Office Box, 2 telephone numbers and our cable address remain the same. Laurese and I thank you for the many letters received as a result of our letter.

Frank, "Doing the back 40 acres".

Laurese, "He must be kidding, we have less than an acre".

AN OBSERVATION; I do not know what kind of material was used to house these coins, - they looked like Wayne Raymond's which tarnished the coins horribly. However these coins for the most part after almost 60 years look mint fresh. FJK.

JOHNS HOPKINS UNIVERSITY STUDIES

IN

HISTORICAL AND POLITICAL SCIENCE

Under the Direction of the

Departments of History, Political Economy, and  
Political SciencePAPER MONEY IN MARYLAND  
1727-1789

BY

KATHRYN L. BEHRENS, Ph.D.

BALTIMORE  
THE JOHNS HOPKINS PRESS  
1923

In her Preface, Dr. Kathryn Behrens says,  
"The study of the paper currency question  
has been undertaken in order to present to  
the reader one of the very important phases  
of early Maryland history. An effort has  
been made to show the generally sound pol-  
icy of the assembly with regard to its  
paper issues, and to assign causes for the  
success or failure of each as the case may  
be." (a very fine book, F.J.K.)

The book has 96 pages, Bibliography and an  
Index, with paper covers. They are brand  
new copies having been wrapped by the  
Johns Hopkins Press back in 1923. The pages  
are uncut, hence all are in pristine con-  
dition.

Sales at auction have brought \$35.00 to  
\$40.00, generally for used copies. **20.00**
